

# C.A.M.O. MINISTRY

a Compassionate, Active, Military Outreach **ARLAN & ELLEN DAVIS**

Supporting Spiritual Resiliency throughout Joint Base McGuire-Dix-Lakehurst

November 2023

Greetings pastor and friends.

It is always a great day to praise the Lord and today is no different. We are so blessed to be watching God work and open new doors for ministry in many areas and ways.

We have been very busy with counseling and ministry among the Navy, Marine Corps, and Civil Air Patrol personnel. Along the way the Lord has opened the door for us to begin working with the Coast Guard Atlantic Strike Team and the staff at the USAF Expeditionary Training Center. This training center works with those who potentially will be assigned to forward deployed locations.

Our 10th Annual Christmas Day pancake breakfast will be upon us in just a few short weeks. This letter is to ask you to pray specifically for us, our volunteers, our corporate sponsors, and every other logistical part of this event.

The 87th Air Base Wing Commander is excited to give his visible support to this event as well as the effort being put forth to show the service members that someone truly cares for them. Our goal through this event is to make connections that will be remembered in their times of need and distress. Our focus in every event or activity that we do is to tangibly show the love of the Lord Jesus to all who participate.

We are so very grateful for you taking the time to read this letter and remembering us in your prayers during this special time of the year. We pray that you have a most blessed Christmas season.

Please pray for:

Each of these outreach opportunities

For laborers to enter the harvest

For our strength as we work to carry out the great commission

Your missionaries to the military @JBMDL
